# Cincinnati Weekly Gazette.

The inducements offered to Agents for 1995 are attractive.

Te.ms of Semi-Weekly.

The Semi Weekly is published every Tuesday and Friday, and will be mailed to any address at \$2.40 per annum. It contains eight pages of seven columns such of most interesting reading matter.

Persons who can not take the Daily Commercial Gazette will find the Semi-Weekly an admirable paper, in that it furnishes the details of information. Nothing of importance transpires anywhere in the world that is not reported in the Semi-Weekly Gazette. It is well adapted to commercially Gazette, it is well adapted to commercially Gazette. It is well adapted to commercially Gazette. It is well adapted to commercial that have mail facilities only twice a week, and to those persons who want the news oftener than once a week.

Postmusters are generally recognized Postministers are generally recognized agents for this paper.

If there is no club ugent, send your subscription direct.

Extra inducements are offered to club gents for 1880

Weskly Edition of the Commercial Gazettee. The weekly edition of the Commercial Gazette is the most theorough and complete family newspaper in the Central States.—It is Republican in politics, and is fearless in the expression of its opinions on all questions. The news of the world is given weekly, with every desirable detail. Farmers find its agricultural department very valuable, and the financial and market reports standard authority. Young people are deeply interested in the "Chimney torner," a department exclusively devoted to them. Choice selections, original stories, and correspondence from all parts of the world appear every week. Neither is it unit addulof the literary wants of its readers, a good deal of attention being devoted to that department.

"Henrico! Dids't thou ever write a book?"

"Aye, damosel, when but a growing boy
I filled with ink a sheep-skin dary."

"Replete, I'll warrant thee, with hero-deeds,
Statistical of hen-roost revenue—
Of trunnt post-limes with the colling worm
And pin-bent anchor for the pedagogue!"

"E'en such its pith my little sorceress."

"And meet of course, to thy callow mind.
But sith thine intellect bath ghibbons grown,
And wisdom bulged the phrenologic parts
Hast ever focused thy great genius on
Some work of fiction. Some wierd tale of

Some work of fiction. Some wierd tale of love
Where vice and virtue tecter-tawter through
The lengthening chapters, and the heroine
Dangles of time o'er bottomless abyss
Held by one strand of native auburn hair?"
"I have not, gyeri! There is a wiser way
To win repute for mental ponderousness,
And shed no mental marrow in the winning.
Would'st know the same?"
"Aye, Solomon, I would."
"Play critic then to other people's tales.
Take some good book to thy dissecting room,
Learn from thy grammar how to yield thy
knife,

Cut, beek and slice till thou hast found a flaw, chest,
This will more comfort bring thy little soul
Than writing books till doomsday opes -Wade Whipple, in Yonkers Gazette.

a very small farm, but as he was a widower, with only two sons—Louis about 23, a handsome, intelligent young man, and "petit Jean," a delicate boy, who did not seem more than 10 years old—the farm sufficed amply for the old—the farm sufficed amply for the majoritans are of the three. Unfortufatal number and was marched off with the center of the village and placed himself assigned to the regiment of Col. St. Amand, who was himself a native of the Vosges, and had known Louis from Resteence—No 220 South Columbus street
